## *Chapel of Saints Valley*

The Chapel at Memorial Park is offered to our families to use at no charge for funeral services and memorial services. The Chapel of Saints Valley will seat approximately 125 people. The audio/visual system in the chapel was renovated in 2015. The new chapel sound and video system will offer a much improved audio and video presentation to the families we serve. The organ has been removed from the chapel, but we now offer a keyboard for your convenience. The chapel can be scheduled for use twice a day on a first come, first serve basis through your Funeral Director and a Memorial Park Family Service Counselor. The chapel service times are 10:00 AM and 2:00 PM Monday through Saturday.

## *Private Columbarium Estate*

We offer private columbarium estates in exclusive areas that will memorialize 1-16 or more cremation urns. Many of these beautifully landscaped estates offer a peaceful location for sitting and reflecting. Your surname can be placed on the columbarium. Other custom touches can be added to make this a personal and unique option.

## *Cremation Bench*

The cremation bench is designed to hold an urn serving as a monument, personal mausoleum, and visitor's bench all at an affordable price. Other benches are available at selected areas throughout the park.

## *Glass Front Niches*

For a truly distinctive form of cremation memorialization, Memorial Park offers this unique legacy. You choose the mementos to be placed inside the glass front niche so that everyone who visits can see a glimpse of the life that is being celebrated. This is the only form of memorialization where keepsakes can be displayed.
